INVITATION

Smt. N. M. Padalia Pharmacy College, Ahmedabad, Gujarat, India in association with Academy of Plant Sciences, India (APSI) and Global Agrobiotech & Pharma Research Foundation (GABTP) cordially invites you to participate and register for 34th APSI scientist meet 2026 and International Conference on "Drug Discovery and Development in Agrobiotechnology and Pharmaceutical Sciences" to be organized from 11th - 13th April, 2026. The conference will emphasize on the disciplines of Drug Discovery in Agrobiotechnology, Plant Sciences and Pharmaceutical Sciences, its innovations specially pertaining to the interest of our society.

ABOUT CONFERENCE

This International Conference aims to provide a knowledge sharing experience in the area of Drug Discovery and Development in Agrobiotechnology and Pharmaceutical Sciences. The drug discovery process accelerates the design of new leads for various life threatening diseases and natural medicines, has been an integral part of drug discovery process which not only plays a major role as a template for the drug discovery but also offers holistic approach for better management of various diseases. Combining the principles of natural medicines with refined modern chemical technology can help in the development of more economical, environmental friendly and effective drug discovery process. The incorporation of traditional and contemporary evidence based medicine as integral parts of a country's formal health care system is most likely to be achieved in many Asian countries. This Conference will provide an open forum for the Academicians, Researchers, Physicians and Professionals of Plant sciences and Pharmaceutical field to enrich their knowledge about Agrobiotechnology, Pharmaceuticals and allied discipline of Plant science for better management of various diseases. The conference will also provide an opportunity to students and research scholars to interact with eminent and renowned scientists and also present their innovative ideas and valuable research by means of oral and poster

ABOUT COLLEGE

Smt. N. M. Padalia Pharmacy College, Ahmedabad run by highly reputed public charitable trust named Shree Saurashtra Patel Sewa Samaj was established in 2008 under the dynamic and visionary leadership of Late Shri Mohanbhai N. Kalaria and Shri Maganbhai H. Patel as a self financed Pharmacy College imparting two courses, i.e. Bachelor of Pharmacy and Master of Pharmacy in Pharmaceutics and Pharmaceutical Quality Assurance. The institute also provide modern research facilities to carry out doctoral and post doctoral study for aspiring students and young faculty. The institute is having advanced instruments like HPLC, HPTLC, FT-IR, Electrophoresis, Probe Sonicator, Brookfield's viscometer, USP Dissolution test apparatus, Fluidized bed drier, 16 station rotary tablet punching machine, Orbital shaker, Rota evaporator..etc. The college was established with a vision to create top-notch pharmacists to meet the demand of pharmaceutical hub of India, i.e. Gujarat. The beauty of the campus is enhanced by its ultra modern amenities. The college has a team of dedicated enthusiastic, qualified and experienced faculty members and passionate supporting staff. The college provides platform to show hidden talent of students to develop soft skills like task management, decision making, communication skill, presentation skill, time management and leadership ability.

ABOUT ACADEMY OF PLANT SCIENCE

Academy of Plant Sciences, India (an Autonomous, Non Government Organization) has been established in 1987, with the objective of promoting and popularizing plant sciences and environmental ethics among youth and students. The Academy is a dynamic and progressive research intensive organization which is providing world class education in the field of Plant sciences, forestry. Environment and agriculture through its Journal "Advances in Plant Sciences" and by organizing the annual conferences on key and core subjects, related to plant sciences. The academy is on a fast track to establish itself as premier NGO of plant sciences at National and International level.

ABOUT GLOBAL AGROBIOTECH AND PHARMA RESEARCH FOUNDATION

Global Agrobiotech & Pharma Research Foundation: An NGO was founded and launched at International conference on Drug Discovery and development in Agrobiotechnology & Pharmaceutical sciences organized by Smt. N. M. Padalia Pharmacy College Ahmedabad in the year 2019. During current decade, scientific knowledge and new technologies are expanding very fast to cope up with the onwards march of scientific research, we must equipped our young students with advanced scientific knowledge for welfare of mankind. The pioneering work started by Shree Maganbhai H. Patel (Chairman); Prof. (Dr.) K. M. Patel (President), & Dr. Jitendra Bhangale (General Secretary) they are three founder member of the " Global Agro Biotech & Pharma Research foundation, Ahmedabad. Our foundation organizes State, National and International level seminars, symposia, workshop, field visit, skill development program, training program, conference for exchange of ideas among young students, research scholars and experienced scientist, locally as well as globally too. The main objectives of the foundation will be to update Farmer, Pharmacists, and Professional and stakeholders with new/updated scientific knowledge, technology & nanotechnologic research advocating all over world. In every year, foundation gives citation, awards and prizes to the scientists and researchers for their outstanding contribution in the field of Biological sciences during National and International Scientist Meet, conferences, symposia, workshop and many programs.

GABTPRF has organised International Confereces at Smt. N. M. Padalia Pharmacy College, Ahmedabad in (2019), Department of Botany, Dr. Shyama Prasad Mukherjee Univercity, Ranchi, Jharkhand in (2021), Faculty of Agriculture, Kamla Nehru Institute of Physical & Social Sciences, Sultanpur (UP) in (2023), at JETPUR Ta- Bechraji, Dist- Mehsana, Gujarat, India in (2023), & now at Smt. N. M. Padalia Pharmacy College Ahmedabad.

CONFERENCE TRACKS

This International conference aims to bring together Research Scholars, Academicians and Industrialists to discuss innovative challenges in the drug discovery and development in the field of Agrobiotechnology and Pharmaceutical Sciences, and thus the conference intends to focus on emerging research fields like:

1. Ethnobotany, Floristic diversity and its Conservation
2. Post Green Revolution: Sustainable Agriculture for Food Security and Health
3. Plant Molecular Biology and Tissue Culture
4. Environmental Pollution, Climate Change and its Impact on Agriculture
5. Restoration Ecology, Bio- remediation and Biofuels
6. Plant Biochemistry, Physiology, Organic Farming and Allelopathy.
7. Pharmacognosy, Indigenous drugs, Herbal Formulations and Phytochemistry
8. Pharmacology, Toxicology, Clinical Research and Pharmacovigilance
9. Pharmaceutical Analysis and Quality Assurance
10. Medicinal Chemistry and Drug Discovery
11. Pharmaceutical Technology and Dosage Form Design.
12. Advancies in AI, Biotechnology and Nano Technology for Agriculture and Pharma Industry.

CALL FOR PAPER

The abstracts in the mentioned tracks are invited for Oral / Poster Presentation. The paper must be an original contribution that has not been published previously anywhere. The best paper in each track will be awarded in Oral as well as Poster presentation. Abstracts should send on icddaps@gmail.com The abstract should consist of maximum 300 words in Times New Roman and font size of 12 points.

AWARDS AND APPRECIATION

APSI will honor Gold medals and citations to the scientists for their outstanding contribution in plant sciences. Kindly apply for the APSI Award to Dr. S. K. Gupta, Secretary, APSI, 108, Pacific Height, Near PAC, Roorkee Road, Meerut-250001, UP, India. GABTP & GABAS will also honor Gold medals and citations to the scientists for their outstanding contribution in research and development. Kindly apply for the GABTP & GABAS Award to Dr. Jitendra O. Bhangale, Secretary, GABTP, Smt. N. M. Padalia Pharmacy College, Ahmedabad, Gujarat (India) 382210 or mail us at icddaps@gmail.com.

ABOUT AHMEDABAD & TOURIST PLACES

Ahmedabad is the fifth-largest city and seventh-largest metropolitan city of India. Ahmedabad is the first heritage city of India declared by UNESCO and financial capital of Gujarat province. Ahmedabad is famous for its popular celebrations of festivals like Uttarayan (annual kite flying day) and nine nights of Navratri festival and now it is also known for 'Vibrant Gujarat Summit' pioneered by (then CM of Gujarat) dynamic and visionary PM of modern India Hon'ble Shri Narendrabhai Modi. It is emerging as a hub for Pharmaceutical, Cotton, Dyes and Auto industries. Ahmedabad is a 'Karma-Bhumi' of Father of Nation Mahatma Gandhi, Iron man of India Sardar Vallabhbhai Patel and The Father of Indian Space Research Dr. Vikram Sarabhai and world renowned Plant Physiologist Dr. J. J. Chinoy.
